Nov. 9, 3:30 A. M .- A dispatch has just passed through the telegraph office here from Charleston, saying that Hampton's official majority in the State is 1,500. We do not wouch for this.

NEWS OFFICE, Nov. 9, 3:20 A. M. Yesterday was another day of great political interest in this city. Though the Republicans corceded both the State and the nation Tuesday night,

and the result was regarded as to all intente and purposes settled, the further returns were nevertheless anxiously looked for. The Republicans died hard. They wore long faces, and their dejection was very percepceived some returns which seemed to indicate a slight doubt of Tilden's election, and the first and last yell went up from their beadquarters. These reports had a tendency to make the Democrats blue, but later advices re-inspirited them and before the telegrams closed they had regained their confidence. The following are the telegraphic advices of yesterday, last night and this morning :

NEW YORK. NEW YORK, Nov. 8 -The Herald

says that twenty-one States cast ma-jorities for the democratic nominess, says that twenty-one States cast majorities for the democratic nominess, and sixteen for the republicans, one State (Colorado) having previously cast its votes for the latter. Thus Gov. Tilden will be our next Prejdent and Thos. A. Hendricks our next Vice President. They have received 209 electoral votes against 16 cast for Gov. Hayes and Wm. A. Wheeler, a clean majority of 49 and 24 more than was necessary for an election. There is very little chance of lemening these figures, and none of changing the result. Our next House of Representatives will have a democratic majority of at least 25. The State of New York was carried by the democracy by probably 25 000 and the entire city democratic tichet was elected by majorities ranging downward from 53,000. Among the States louked on as doubtful yesterday, Indiana, Connecticut. New Jersey and probably Wisconsin, were carried for the democrats. Bouth (arolina is in doubt, the voting being very close and victory claimed by both sides. The negro vote was evidently divided between the two parties in the Son hern States. NEW YORK, Nov. 8.—The Post gives Tilden 184 electoral votes, with Novada, California, Florida, Louisi-ana, Oregon and Wisconsin as doubt-ful. It says Mr. Tilden appears to be elected President of the United States.

republicans now claim Wissonsin and California. This leaves Tilden with one vote short on election, and Hayes (wenty short. NEW YORK, Nov. 8. Ges. W. R Cox:

Have 184 votes certain. Louisians South Carolina and Florida not settled. Louisiana gives large demociatic majority, but efforts are being made to falsify returns. Reports from Wisconsin are favorable. No rejs r s from Pacific States.

M. T. PELTON. NEW YORK. Nov. 8.—There was great excitement around Union Square to-night, and crowde besieged the Democratic headquarters at the Everet House. Democratic clubs marched down town and cheered before Gov. Tilden's house, in Grammann Bark but the Governor was mercy Park, but the Governor was fatigued and proposed to take a few diye' rest.

WISCONSIN.

MILWAUKES, Nov. 8.—E. W. K-ys, Chairman of the republican state central committee, claims Wisconsin by from 3,000 to 4,000 majority, a'so the election of Caswell, re-publican, in the 2nd Congressional district over Orton. 262 towns and wards give Hayes 1501 majority, a net democrat gain of 770. MILWAUKEE, Nov. 8 .- Complete and parual returns from 41 counties show net republican gains of 4 200 over last year. This cannot be overcome by the counties to be heard from. Republican majority in the state will be 3,000.

OHIO.

CINCINNATI, Nov. 8.—Hamilton county gives Tilden 698 majority. The vote in the county for Cooper is 37; Prohibitionist 1.

COLUMBUS, Nov. 8 — After hearing the news at republican headquarters, a crowd numbering several thousand formed a procession and marched to Gov. Hayes' residence. In response to repeated calls, Gov. Hayes appeared in the doorway and, after scores of cheers, spoke as fol-

lows:
"I assure you I am obliged for this hearty demonstration, but if you will keep quiet about half a moment I will say something to you, which I think is my duty under the circumbut if you stances to say: While our pre-ent advices look favorable we must remember that several of the States which have been considered doubtful have a large territory remote from ful have a large territory remote from railroad or telegraphic communication, and it will naturally take some time to receive definite returns from them. I therefore take this call as an evidence of your loyalty to the republican party and your desire for its success. If late advices should charge the result from what it is announced at present. I assure I shall charge the result from what it is announced at present, I assure I shall frequently recall this visit during the time I shall yet live among you, with pleasure. I bid you good night."

After further cheering, the crowd dispersed. R. C. McCormick, secre-

CALIFORNIA.

SAN FRANCISCO, Nov. 8.—It is likely that the republicans elect all four members of Congress. 'I welve of the 49 precincts of the city give Hayes four majority. No hing from the interior of Oregon or Nevada. The democrats are jubilant over the states from the control of the co returns fr m the east. Tilden telegraphs Mayor Bryant that he is elect-

SAN FRANCISCO, Nov. 8.—Returns from the city are nearly complete. Hay a will have a smail majority. For Cougrese, Davis, republican, is elected by 2,500. There are few additional returns from the interior, and none to effect the general result. A dispatch from Portland, Oregon, says that the State is undoubtedly republican by a small majority.

A private despatch from Virginia City, Nevada, says Nevada is sure for a decided republican majority.

The latest returns from Oregon show the republican majority is one thousand. The democrats now concede that State to the republicans.

Haves.

Oregon is conceded to the Republicans by a small majority.

Scattering returns from Nevada leave no doubt that the State has gone Republican by a fair majority.

Boxs, Nov. ?.—Senator Gordon add essed on enthusiastic meeting to-night. He said, among other things, that in view of the triumph of the party of peace and reconciliatin, the hearts of the Southern people warmed toward the people of the whole sountry. We have been charged with being dialoyal, but loy-

alty and liberty were with us one and i neparable. We say to our traducers give us liberty and we will give you the loyalty. He asked where is the Southern man whose heart does not glow with a new pride for the fing of our fathers, since Tilden's election assures us that it shall henceforth wave over a nation of co-equal States? He appealed to the people to hoist their fings, which no longer were emblems of sectional dominion and trampled commonwealth.

AUGUSTA, Ga., Nov. 8 —South Carolina is still in doubt Both par-ties claim the State. The indications ties claim the State. The indications are that the Hayes electoral ticket is elected. It is claimed by republicans that Chamberlain's majority in Beaufort, Sumter, Co'leton and Charleston counties will evercome Hampton's majority. The democrats claim Hampton's election, but say that the result is very close.

Fiorida is claimed by the democrats by from 2 000 to 2 500 majority. The returns show democratic gains. Georgia sends an unbroken democratic delegation to Congress. Maeratic delegation to Congress. Majority for Triden about 75 00).

WASHINGTON

WASHINGTON, Nov. 8.—The Star says that neither Judge Edmunds nor the President have received dispatches from Chandler to-day. The fact is regarded as as discoursging to have any possible change of fleures.

That the noble old county of Orange would be present to answer to her name at the roll call of the banner Democratic counties of North Carol na. Maj. Jno. W. Graham has triumphed over his open and his secret enemies, and his opponents have met with overwhelming defeat and confusion.

EVERYBODY rejoices over the reelection of our peerless representative, Joseph J. Davie. In many par s of the district he leads the ticket. Nowhere does he run behind. His term of service in the National Legislature has but served to strengthen the confidence and esteem in which he is held by his constituents. It is impossible to say now what his exact majority is; but enough is known to insure his election by an overwhelming vote.

In religion, in politics, the words of none excite deeper Interest than those of converts-carnest, zealous converts. John T. Deweese is a con wert. Some time ago, at the reques of the editor of the RALEIGH NEWS. he wrote an a laress to the voters of North Carolina, exposing Republican rasca ities and urging the Democrats to devote one day to God and their country. Yesterday, he telegraphed this dispatch to the Chairman of the Democratic Sate Executive Committee: 'Thank God your people are free once more!"

THE RESULT-VICTORY!

NEWS OFFICE Nov 9, 3 A. M. The triumph of Tilden is complete. He carries 184 electoral votes, admitted by the Republi ans, at this hour at Washingto , at New Y rk, at the home of Hayes, and elsewhere. Alabama 10, Arkansas 6, Connecticut 6. Delaware 3 Georgia 11, Indiana 15, Kentucky 12, Maryland 8, Mississippi 8, Missou i 15, New Jersey 9, New York 35, North Carolina 10. Tennessee 12, Texas 8, Virginia 11, West Virginia 5. Total 184.

At this hour the Democrats con cede to Hayes the following States: Colorado 3, Iowa 11, Kansas 5, Maine 7. Illinois 21. Massachusetts 13, Michigan 11, Minnesota 5, Nebraska 3, Nevada 3 New Hampshire 5, Ohio 22, Pennsylvania 29, Rhode Island 4, Vermont 5. Total 147 votes.

This leaves doubtful the following States: California 6, Florida 4, I ouisiana 8 Oregon 3, South Carolina 7 and Wisconsin 10. Total 38.

To carry the election even by one majority, Hayes must receive every one o' these 38 votes; he must carry every single doubtful State. But, if Tilden carries any one of the doubtful States, or a single electoral vote out of the thirty-eight, his triumph is assured.

The chances therefore are all in his favor. But, in the light of our latest dispatches, up to this hour (2 a. m.,) all uncertainty fades away. Florida is certain for the Democrats, by about 2 500 majority. We have carried Louisiana, but the r turning board will attempt to count us out. Oregon has in all probability gone for Tilden. The chances are against us in Wisconsin. California has not yet been definitely heard from, and South Carolina is still in doubt.

In view of these facts, we feel sure that Tilden is elected. The radical bayonet scheme is a failure. They overlooked Florida, in the plan. We consider the matter settled. Tilden will take his seat, and will be our next President.

Words cannot paint the joy with which this intelligence bas been gree ed by the Democrats of the Union, from the Atlantic to the Pacific. The air resounds with the cheers of exultant masses, and the heav as ring with the peans of vic-

Our triumph exceeds even our most eanguine expectations. The God of nations, the God of the right, the God of purity, was with us; and the vigilance of the weary watchers through the long night of republican oppression-the constancy of the faithful, who have guarded our liberties in the gloomiest days of adverty, and the labors and self-sacrifice of those true and tried patriots who for eleven years have striven for the redemption of our country from the rule of our enemies, now finds reward in the full fruition of purposes accomplished and hopes fulfilled. Jollification and Love Peast.

An impromptu meeting of the citizens took p'ace yesterday in front of the Court House, for the purpose of congratulations and ap aking over the great and sweeping Democratic triumphs of Tuesday. The people assembled in mass and blocked the sidewalks.

The first speaker called upon was Col. T. C. Ful'er. He addressed the crowd for the space of about 30 min-utes in a speech of impassioned eloquence, which brought his hearers to realize more fully .than they had ever done before the extent and magnificence of the victory which they had achieved. His speech was high-ly conciliatory, and he took pains to a sure the colored people, a number of whom were present, that the demceratic party intend no encroachment upon their righ's

When he concluded Col. W. R. R cnardson, Republican Keeper of the capitol and one of the editors of the Constitution, addre-sed the people acknowle Iging the defeat ofhis party in the State and nation, and expressing e nfidence that the victors would prove magnanimous in the hour of their triumph. He paid a high comp'iment to Gen. W. R. Cox, who stood by his side, for his management of the campaign, and impressed upon the Demo rats that much of their success was due to his well direc ed efforts.

Ger. C x was next called upon. He congratulated the Democrats mainly up in the splendid success of Tuesday, but w nt on to-ay that the good off cts of the victory were not confined to the Democratic party, for the terign influences of the good gover-ment which would be inaugurated by Tilden and Vance, would fa'l upon the heads of all parties. It was not a race nor a sectional victory, but a victory of the American people over their despoilers. The speech was conciliatory in the highest degree, and was cheered by Republicans and Democrats alike.

(e). H. Show, E-q., was called out next. His train of thought was the same as that of the gentlemen who had preceded him. He congratulated the people at large upon the change of administration which was about to be inaugurated, and assured them that prople of all colors, classes and parties would feel the good effect of the change.

Mr. Snow conclud d by introducing Jas. H. Harrs, colored, who spoke in a friendly and good natured manger, but whose speech was not a prop r one for the occasion. He charged the white people with the responsibility of carpet-bag rule in the S.u.h, becau-e, as he said, they had not united with the colored men to keep the carpet-baggers out of power. Several other things of a like character were said which had better been left unsaid, but which the Dem: ocrats, in the joy of their victory, passed over good humoredly.

Mr. F. H. Busbee was pext called upon. He enunciated the idea that this was a victory of the white men of this State and Nation, and he desired to have this understood distinctly. - At the same time, he would vote against any party which was in favor of abridging the rights of the negro. The rights of all men would be secure under the adminis ration of Tilden, and p ace, prosperity and reconciliation would return to our borders.

Maj. J. P. H. Russ was next called on and spoke briefly, and in like manner as those who had spoken before. The speaking closed with a few remarks by Mr. W. H. Gray, of Kentucky, and all went away in good spir ts. The Republicans received a grat deal of magnanimity, and nothing was said to give offence to any of hem. The speeches were all highly conclusiony, and we wish they could have been heard by those people of the North who think the purpose of the Bauthern people is to get into power that they may overturn the government and put all the negroes and white Republicans to the edge of the sword.

The press of the city and the pub-lic as well, should feel gratitude to Mr. B. W. Starke, the manager of the Western Union Telegraph Office, in this city, for his thoughtful courtesy to the former during the very trying times of the past two days and nights. Finding it necessary to bar the doors of his office against the eager crowd of news-seekers, he prepared seats and tables in his office for representatives of the papers of the city, in order that they might exchange dispatches and prepare their matter for the press, thus enabling them to give the public the fullest and most accurate information possi-ble. In addition to this be has given the reporters the benefit of his own dispatches, and in various ways shown them many little attentions which were not expected of him du ing this exceedingly laborious period-Hie subordinates have been equally kind, and we call attention to the matter in order that the public may see the obligat on which has been con erred upon it no less than upon the press.

A Republican Recapitulation.

The Republican organ, the Constitution, published two columns of election news yesterday morning, and at the conclusion of it all, where a recapitulation, or comments, might have been expected, the following interesting lines were found:

SOUTH CAROLINA.

CHARLESTON, S. C., Nov. 8—The official count in the city of Charleston gives Hampton, democra', 15 majority. The News and Courier's estimates the returns covering the whole state, exclusive of Charleston county to give Hampton over 10,000 majority. That paper does not think it possible that Charleston county can give more than 5 000 republican majority, and it considers the State safe for Hampton, and also for Tiden. who it orlieves will not fall behind Hampton more than 1,000 votes. Republicans

lieves will not fall behind Hampton more than 1,000 votes. Republicans still claim that a heavy majority in Charleston county will overcome the democratic gains and will give the Brate to Hayes and Chamberlain.

CHARLESTON, Nov. 8—1 A. M.—R turns from the coast precincts come in slowly. They show less republican majority than was estimated last night. The democrats confidently slaim Hampton's election. dently claim Hampton's election, with the entire State ticket. Tilden is not far behind. Hampton goed win to the coast with 9,000 majority. which will be hard to overcome. The republicans claim the State. The re-

ult is still in doubt. CHARLESTON, Nov. 8 —The republican and democratic committees are ill widely at variance as to the result in this State. The former c'aim 8,000 majority for Chamberlain, but withhold details of their estimate. The latter, conceding every county unheard from to have gone according to republican predictions, claim that Hampton is certainly elected. The dispute will hardly be settled before to-morrow.

A serious riot broke out here about dusk this evening. Broad street, from the Court-House to the Pest Office, was crowded with blacks and whites, all excited, and the blacks much angered at the returns unfavor able to the republicans. An alterca-tion between a democrat and republ can was followed by a general out-break of the blacks, who were largely superior in numbers to the whites, and who opened a g neral fire with pistols and rifles upon the whites, taking complete possession of the street for a time. The whites soon rallied and a sharp firing occurred. Intense excitement regned through out the city for some hours. The companies of United States troops in the city double quicked to the scene, dispersed the crowd and now have charge of the streets. Casualties-one charge of the streets. Casuattes—one negro mortally wounded and eight others seriously. One white, a son of Geo. H. Walter, a prominent cotton merchant, was killed and about a dozen whites wounded.

CHARLESTON, Nov. 8.—The News

and Courier's latest estimate gives the State to Hampton and Tilden by about 3 000 majority. This allows 6,000 republican majority in Charleston county. The democrats have carried the State unless the republican majority in Charleston county approximates 10,000.

MINNESOTA.

MINNEAPOLIS, Nov. 8 .- The republican majority in Minnesota will be over 15,000.

ALABAMA.

Hewitt in the sixth, Forn. y in the seventh, and Garth in the eighth districts, all democrats, are elected to Congress. Returns are fa-vorable to Jones, democrat, over Bromberg. Shelly, democrat, makes immense gains in the fourth district and is very hopeful of election over Haralson and Rapier, rival negro candidates. As far as heard from there was not a disturbance in the State. The United States Deputy State. The United States Deputy Marshals in this city were, with few exceptions, negroes.

MONTGOMERY, Nov. 8 .- Further returns from the fourth district show the contest close between Haralson, negro, and Gen. Shelly, oemocrat Sirelly has made great gains.

NEW JERSEY.

TRENTON, Nov. 8 -The Congres s nat delegation remains 4 Repub-neau and 3 democrats.

Pennsylvania,—The democrate gain in Buck county 73, Lehigh 38, Columbia 231, and the republicant gain in Snyder 51, Tioga nearly 1,000, Blair 477 and Chester 1,065.

The following special from New Orleans from a democratic source says that in Clinton, East Felicians Parish, owing to a failure of the registrar to fill his appointments a large number of votes were not registered. Seventeen hundred and forty-three registered votes were polled, of which Hayes got three and Tilden the bal-ance. At a pell conducted under a United States Supervisor, four hun-dred and forty-three voters who had been unable to register, deposited ballots in a separate box, all demo-cratic. The Republicans refrained from voting; there was no intimidation. The gross number of votes was within three hundred of the number at last election. Many democrat voters were deterred by want of registration. The whites and blacks traternized and all are happy of 1,740 shows a democratic gain of 2,581 over the vote of the 74 vote. The repub irans say that the voting in East Feliciana is informal and the votes will not be canvassed by the reterming hard. The Registrar the returning board, the Registrar sent there having been run off and intimi lated. Other dem cratic parisl es will be treated in the same way for similar reasons. Charges of in-timidation, fraud, &c. will be made. Onachita Parish gives a democr tic mrjority of 1,087, a democratic gain of 1,915 over the vote of '74, when Dubucket, republican, received 828

Peonsylvanis—Republicans ga'n in Lancaster 2 279. The Democrats gain in Lycoming slightly, Centre 550, Northampton 1,076, Northum-

berland unchanged. Columbus, Ohio-Great excitement here over the announcement that Gov. Hayes is elected. His Private Scretary is sending out telegrains claiming a majority of one for Hayes in the Electoral College. High street, in front of the Republican headquarters, is closely packed with thousands of people, all wild with excitement. In midst of general excitement all efforts to receive eral excitement all efforts to receive of mplete returns for the Onio elec-tion by counties have signally failed thus far. Returns have only been received from 19 ocunties. It is, however, conceded by both State Committees that the K-publican ma-jority will be from 8,000 to 10,000.

jority will be from 8,000 to 10,000.

Latest dispatches from Florida indicate democrats have carried the State by 2,000 majority. Reputlicans claim Oregon by 500 to 1,000 majority. D. mocratic Committee in New Orleans to-night claim Lousiana by 10,000 majority.

San Francisco, Nov. 8.—D'spatch just received from Portland says that Oregon will give 3,000 to 5,000 republican majority.

"Natural Philosophy." Gov. Brogden looks more philos-phical over the result than any of them. That little \$5,000 per annum seat in Congress to which the darkies of the 2d district have invited him, enables lim to bear the blow with more fortitude than can be commanded by his less fortunate neighbors who have to get out in the cold entirely.
